Helpful tips!

Remember to log out of BrainPOP when you are finished. This will help prevent other teachers from being “bumped” off.

Please do not share this log in information with your students. Our subscription is for limited use only and it should only be used to show in-class animations.

If you notice that you are not able to access BrainPOP when it is convenient for you, please email Karen so she can decide whether or not we need to upgrade our subscription.

The quizzes are fun and engaging, making them a great way to informally assess student comprehension of the topic viewed.
